ONE BINGO = ONE MINI BLIZZARD
BLACKOUT BINGO = \$15 GIFTCARD

THE SUMMER SLIP IS REAL.

A 2020 STUDY FOUND THAT HALF (52%) OF
ELEMENTARY STUDENTS LOST AN AVERAGE OF
40% OF THEIR TOTAL SCHOOL-YEAR GAINS
DURING SUMMER (ATTEBERRY ET AL).

YET THERE'S STILL GREAT HOPE.

KEEP KIDS READING.

KEEP KIDS PRACTICING MATH.

PUT THE ONUS ON THEM.

THIS BINGO CARD IS ONE WE USE WITH OUR
KIDS (AGES 6, 9, AND 11) AND CONTAINS SKILLS
WE WANT THEM TO MAINTAIN. THE INCENTIVES
AT THE BOTTOM (ICE CREAM + CASH) ARE HOW
OUR KIDS ARE MOTIVATED. IF YOU NEED TO
CHANGE SOME BOXES, OR SWAP OUT REWARDS,
DO IT. MODIFY FOR YOUR PEOPLE.

WE'VE FOUND THIS TO BE ONE FUN WAY TO
KEEP THEM LEARNING WITHOUT ADDING MUCH
WORK FOR PARENTS. KIDS ARE EXCITED TO GET
BINGOS, AND YES, FOR PARTICULARLY
MOTIVATED CHILDREN, WE WILL PRINT ANOTHER
AND GO AGAIN.

WE WANT SUMMER TO BE FUN AND CAREFREE
AND FULL OF ALL THE GOOD STUFF—AND ALSO.
PLEASE DON'T FORGET EVERYTHING WE
WORKED SO HARD TO LEARN ALL YEAR.
