## Finally! Katie & Nick Join Otis Day Starting June 10th on 95.9 KISS FM (WKSZ-FM)

Woodward Community Media is thrilled to announce the much-anticipated addition of KATIE SCHURK and NICK VITRANO to KISS FM Mornings with OTIS DAY on 95.9 KISS FM, starting June 10th. After patiently waiting for the end of a non-compete clause, Katie and Nick are set to bring their unmatched chemistry and entertainment back to Northeast Wisconsin.

Day expressed his excitement, saying, "The question I get asked all the time finally has an answer. I couldn't be more happy to have my friends back on the air in NE Wisconsin. They're almost free! This is going to be great!"

KISS FM Brand Manager, Joe Marroe, shared his anticipation for their on-air debut, stating, "June 10th cannot come soon enough. Our audience has waited patiently, and patience will pay off. The three of them have been working hard behind the scenes the last few months preparing. Day one will sound like the show has been on the air for years."

Woodward Community Media General Manager, Kelly Radandt, added, "KISS FM is about connecting our local communities. Otis, Katie & Nick will help us do that!"
