

*Peace. Safety. Comfort.*

***So you can hear directly from us:***

Downtown Indiana will be active this weekend with formal Special Events on both Saturday and Sunday. We are also aware of a local rally being organized for Saturday afternoon that will increase the level of activity in town. We have been - and will continue to be - in communication with all event organizers to provide the best possible support to attendees – and our community.

\*\*\*

Expect increases in vehicle and pedestrian traffic through downtown. Guard against distractions. Be patient while traveling and aware of people crossing the roadways.

\*\*\*

We will have an increased police presence (both seen and unseen).  
We will always provide our community with the information it needs should an emergency arise. There are no gathering - or event - related emergencies to report.

\*\*\*

It appears rain is in the forecast all weekend. Take weather related precautions.

\*\*\*

We anticipate emotions will be high. Be kind to each other and supportive of our efforts to keep everyone safe. We are all safer working together.

\*\*\*

Always be vigilant. Report suspicious activity.
