Teaching Assignment

E-mail Address

Title of the Project

Amount requested

Use as much space as needed, but applications of 2-4 pages are sufficient.

1. Describe the project.
2. How will students benefit from your grant project?
3. Describe the proposed impact or improvement expected (Examples – anecdotal records, data, interviews, or information that demonstrates student growth). Indicate the number of students impacted this school year and then potentially by the scope of the grant.
4. Complete Project Budget.
5. Feedback from your Principals/Directors:

#### RESOURCES COST

Materials/Program/Guest Speaker

Training

Equipment

Supplies

Substitute (see form at the end of grant info)

Total:

You will be asked for a grant review summary after your project has been completed within one year of your receipt of the grant.

Principals/Directors: Please review the document and submit electronically to the [Lmont72@comcast.net](mailto:Lmont72@comcast.net)

If you receive the grant, you agree to provide BARTA with electronic communication about the project by the end of Fall 2024 and an accounting of the funds. The grant recipients should make a presentation to their staff members to share the best practices.

Information about BARTA funded projects will be shared with others in the community. You will be expected to provide digital pictures, powerpoint or video clip for use by BARTA's communication of website, Facebook, or print uses. (include assurance that you gained permission in your communication with families).

-----  
For the BARTA Grant Application-Substitute Teacher Reimbursement Invoice
