

# Gifts That Give

Because **the majority of St. Jude funding comes from generous donors**, St. Jude has the freedom to focus on what matters most – saving kids regardless of their financial situation. **Every dollar makes a difference.**

- \$3** could help provide **pediatric isolation masks to help protect patients** with compromised immune systems.
- \$10** could help provide a **new toy for hospital play areas** or recreational areas at St. Jude housing facilities.
- \$25** could help provide a St. Jude patient with **meals for one day**.
- \$55** could help cover the cost of **four platelet count tests**.
- \$200** could help provide **two red wagons** to help patient transportation.
- \$300** could help provide **groceries to a family for two weeks**.
- \$500** could help cover the cost of about **two days of oxygen** for a St. Jude patient.
- \$775** could help provide a **spinal tap**.
- \$1,000** could help cover the cost of **airfare for three St. Jude patients and three parents**.

When you make a donation using this information, your donation will be used to provide breakthrough research, treatment and cures. Items listed here are representative of services and supplies that are part of the treatment and care of children at St. Jude. The cost of each item or service is an approximation, and will vary based on actual costs incurred and individual patient needs. Your donation will be used for the general operating needs of St. Jude, where no family ever receives a bill for treatment, travel, housing or food.
