Welcome to the 11th annual Henson Media Sports Guide! Many thanks to the team at Henson Media stations WSON-FM/AM, WMSK/WUCO and WREF (ESPN 97.7 "The REF") for making this Sports Guide a reality! Also, many thanks to all of the sponsors who have enabled Henson Media to provide this Sports Guide to you free of charge. We would certainly appreciate it, if you would say thanks by shopping with the advertisers in the Sports Guide!

As a long-time veteran of local radio, it really is a privilege to provide local news, weather community information, music and sports to the people in the communities we serve. We always strive to do this in an objective and trustworthy way and appreciate your comments. Sports are a real passion for our company and a big part of who we are. In a normal year, through these stations' over-the-air signals, our websites and our apps, we broadcast play by play coverage of approximately 1,000 sporting events, as well as thousands of hours of sports talk shows.

The Henson Media stations are proud of our association with so many sports partners; such as, the University of Southern Indiana athletic program,

the University of Kentucky, Indiana University, the St. Louis Cardinals, the Cincinnati Reds, all of the high schools in Henderson and Union Counties and throughout the Evansville area, the Tennessee Titans, the Henderson Flash, the Evansville Otters, Indiana Sports Beat, Kentucky Sports Radio, Westwood One, the Compass Network, our good friends at ESPN, all of the coaches and administrators we work with, and so many more.

As we start another sports year with high school, college and professional teams, best wishes from Henson Media to everyone involved as a player, coach, administrator, supporter or fan! I am convinced that sports teach life lessons that are invaluable, as well as painting pictures of determination, heart and the value of hard work that inspire all of us. As someone who ran track and cross country in high school and college, best wishes to everyone who is playing for the "love of the game!"

Ed Henson, Owner
