ALL SCHEDULES ARE SUBJECT TO CHANGE.

I became a sports fan the day my Dad brought home a box of baseballs, bats and gloves to my sisters and me when I was five years old and have remained a fan ever since. Remember putting on my baseball uniform and listening to Louisville Colonels baseball games on the radio and acting out the entire game in my bedroom. Sliding was a challenge on my hardwood floor and no spikes were allowed!

Sports are a big part of what we do at Henson Media. WSON-AM/FM and WMSK/WUCO have long featured a variety of sports reports and play-by-play coverage.

Then in 2017, we put ESPN 97.7 The REF (WREF) on the air with full-time sports coverage. Through these stations and our websites, we broadcast play by play coverage of close to 1,000 sporting events every year! We're working hard to be the pre-eminent source for local sports throughout northwest Kentucky and the Evansville area.

Many thanks to our team at Henson Media for all of their hard work and effort in making this Sports Guide a reality and many thanks to all of the sponsors who have enabled Henson Media to provide this to you free of charge. Please let them you know you appreciate it!

Play ball!

Ed Henson – Owner, WSON AM/FM, WMSK FM, WUCO AM/FM and ESPN 97.7 the REF

Thanks for picking up our FIFTH edition of the Henson Media Sports Guide! As in years past, you'll find high school sports schedules from teams in Southern Indiana and Northwestern Kentucky. Plus, be sure to test your sports knowledge on our trivia page. The schedules are set for another season of great, local high school football and basketball. Make it a point to get to a game in your community this year to support our local student-athletes!

Greg Busby – WSON Sports Director, Voice of the Henderson County Colonels

Sports is a part of life for many in the tri-state. Football, basketball, baseball, volleyball, wrestling; there are so many involved in sports. The Henson Media stations, WSON AM/FM, WMSK FM, WUCO AM/FM and ESPN 97.7 The REF (WREF) and the HENSON MEDIA SPORTS GUIDE provide you the opportunity to follow your favorite teams. This sports guide is truly your one source for schedules and much more. Take a look at the schedules and attend a game. A big thanks to our sponsors who make this publication possible and at no charge.

We invite you to join our family of stations for coverage of high school, college and professional sports. Hope to see you at a game this year and if you want, stop by and say hi. Good luck to all our teams!

John Robinson – WMSK FM and WUCO AM/FM, Voice of the Union County Braves

ESPN 97.7, The REF was certainly the place to be for coverage of an unbelievable year for local sports. Two state championship titles in girls' golf and in girls' soccer and 2 state runner-up finishes in football, in addition to individuals winning state championships in their sports. 97.7 The REF was there for all the big games and events and will continue to be there throughout the coming year. WREF continues to grow as your Evansville home to IU football and basketball and coming this fall... a weekly show devoted to University of Evansville athletics. It's always game on at 97.7 The REF.

Special thanks to all the sponsors in this Sports Guide that make it possible for you, the fans, to follow your favorite schools and teams.

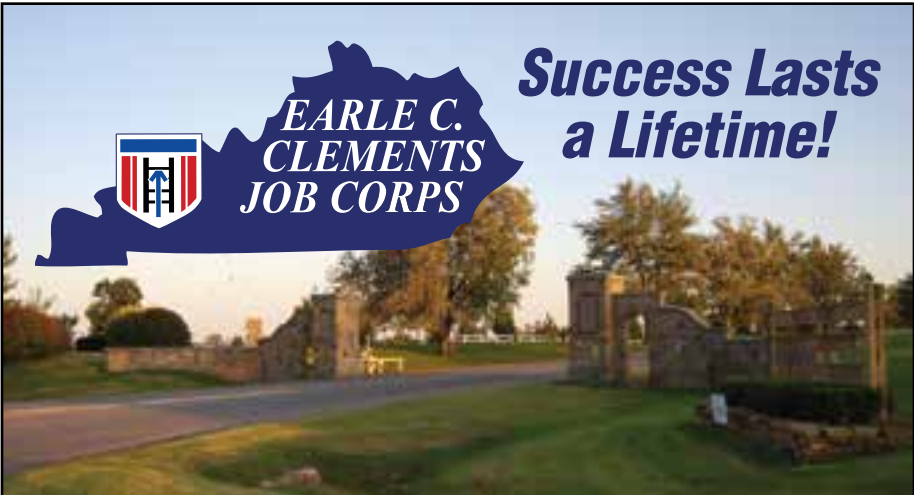

Good luck to all the coaches and players this season!

Dan Egierski – Host, All About Sports and ESPN the REF's Lead Play by Play Announcer
