Thank you. I understand your procedure. However, for our purposes it seems useless if not provided to the Court. Therefore, I likely will send it to the Court. On the other hand, it might be unnecessary if you are able to share the written plea agreement with us. Are you willing to do so?

Mr. Grossman:

Our office was in receipt of the attached documentation. Such was included in our file & provided in discovery. It was not filed with the Court, as we would only file the victim impact statements that were received from the victims in this case. We did file the one we did receive from victim Eric Mayer. As of now, the matter is set to be resolved by written plea agreement. So there won't be any further hearings at this time.

Ms. Wanner and Mr. Schwarz:

With the trial being cancelled it looks like the State's Attorney has reached or will be reaching a plea agreement, unless it will be an open plea.

Body

In looking at the docket it does not appear that my attached April 21 Victim Impact Statement has been filed. I think I recall that Ms. Wanner provides it to Mr. Schwarz and that you will submit it to the Court at the appropriate time. Since I don't know the process and when the statement will be submitted to the Court will someone please advise me now how or when this will occur?

I suppose another option would be for me to appear at the sentencing?

Mr. Schwarz, if you have some idea how you I intend to resolve this matter or what your recommendation will be and you are willing to discuss or share it with me, perhaps my statement and any additional involvement on my part will be moot or not necessary.

Thank you.

Best,  
Drew

Best,  
Drew

Can you work with Liz, Eric and other client agencies who were worried about this mandate that it [the contractor mandate] is now on hold  
In fact, all 3 federal mandates are on hold under one form of injunction or another.

Can you work with Liz, Eric and other client agencies who were worried about this mandate that it [the contractor mandate] is now on hold. In fact, all 3 federal mandates are on hold under one form of injunction or another. Wayne

Friends,
Judge Baker just issued a nationwide injunction in our federal contractor mandate case. We're still reviewing, but wanted to make you aware. Also, I'm adding Georgia's new SG, Stephen Petryny, to this chain.

Best,
Drew

Can you work with Liz, Eric and other client agencies who were worried about this mandate that it [the contractor mandate] is now on hold  
In fact, all 3 federal mandates are on hold under one form of injunction or another

Friends,

Judge Baker just issued a nationwide injunction in our federal contractor mandate case. We're still reviewing, but wanted to make you aware. Also, I'm adding Georgia's new SG, Stephen Petranay, to this chain.

Best,  
Drew

DRAFT

STATEMENT OF ATTORNEY GENERAL STENEHJEM IN RESPONSE TO NATIONWIDE SUSPENSION OF FEDERAL CONTRACTOR MANDATE

Earlier today, federal district court judge R. Stan Baker in Georgia issued a nationwide preliminary injunction suspending the federal contractor vaccine mandate. Judge Baker ruled against the Biden Administration, finding that the vaccine mandate in Executive Order 14042 violated the Procurement Act.

"The Biden Administration took a heavy-handed approach in its effort to bring the vaccine-hesitant to heel, and in doing so, exceeded its authority, yet again," said Attorney General Wayne Stenehjem.

In his Order, Judge Baker stated "As another Court that has preliminarily enjoined the same measure at issue in this case has stated, "[t]his case is not about whether vaccines are effective. They are. ... However, even in times of crisis this Court must preserve the rule of law and ensure that all branches of government act within the bounds of their constitutionally granted authorities."

Stenehjem noted that, with Judge Baker's order, federal courts have now enjoined the three most invasive federal vaccine mandates. "I will continue to work with Attorneys General across the nation to protect the citizens of North Dakota from federal overreach."

Can you work with Liz, Eric and other client agencies who were worried about this mandate that it [the contractor mandate] is now on hold  
 In fact, all 3 federal mandates are on hold under one form of injunction or another.

Friends,

Judge Baker just issued a nationwide injunction in our federal contractor mandate case. We're still reviewing, but wanted to make you aware. Also, I'm adding Georgia's new SG, Stephen Petraný, to this chain.

Best,  
Drew

DRAFT

STATEMENT OF ATTORNEY GENERAL STENEHJEM IN RESPONSE TO NATIONWIDE SUSPENSION OF FEDERAL CONTRACTOR MANDATE

Earlier today, federal district court judge R. Stan Baker in Georgia issued a nationwide preliminary injunction suspending the federal contractor vaccine mandate. Judge Baker ruled against the Biden Administration, finding that the vaccine mandate in Executive Order 14042 violated the Procurement Act.

"The Biden Administration took a heavy-handed approach in its effort to bring the vaccine-hesitant to heel, and in doing so, exceeded its authority, yet again," said Attorney General Wayne Stenehjem.

In his Order, Judge Baker stated "As another Court that has preliminarily enjoined the same measure at issue in this case has stated, "[t]his case is not about whether vaccines are effective. They are. ... However, even in times of crisis this Court must preserve the rule of law and ensure that all branches of government act within the bounds of their constitutionally granted authorities."

Stenehjem noted that, with Judge Baker's order, federal courts have now enjoined the three most invasive federal vaccine mandates. "I will continue to work with Attorneys General across the nation to protect the citizens of North Dakota from federal overreach."

Can you work with Liz, Eric and other client agencies who were worried about this mandate that it [the contractor mandate] is now on hold  
In fact, all 3 federal mandates are on hold under one form of injunction or another.

Friends,

Judge Baker just issued a nationwide injunction in our federal contractor mandate case. We're still reviewing, but wanted to make you aware. Also, I'm adding Georgia's new SG, Stephen Petranay, to this chain.

Done. Okay to send out as corrected? Liz

Bismarck, ND - Earlier today, federal district court Judge R. Stan Baker in Georgia issued a nationwide preliminary injunction suspending the federal contractor vaccine mandate. Judge Baker ruled against the Biden Administration, finding that the vaccine mandate in Executive Order 14042 violated the Procurement Act.

"The Biden administration has yet again exceeded its authority in apparent disregard of the Constitution and the rule of law," said Attorney General Wayne Stenehjem.

In his Order, Judge Baker stated "As another Court that has preliminarily enjoined the same measure at issue in this case has stated, "[t]his case is not about whether vaccines are effective. They are. ... However, even in times of crisis this Court must preserve the rule of law and ensure that all branches of government act within the bounds of their constitutionally granted authorities."

Stenehjem noted that, with Judge Baker's order, federal courts have now enjoined the three most invasive federal vaccine mandates. "I will continue to work with Attorneys General across the nation to protect the citizens of North Dakota from federal overreach."

DRAFT

STATEMENT OF ATTORNEY GENERAL STENEHJEM IN RESPONSE TO NATIONWIDE SUSPENSION OF FEDERAL CONTRACTOR MANDATE

Earlier today, federal district court Judge R. Stan Baker in Georgia issued a nationwide preliminary injunction suspending the federal contractor vaccine mandate. Judge Baker ruled against the Biden Administration, finding that the vaccine mandate in Executive Order 14042 violated the Procurement Act.

"The Biden Administration took a heavy-handed approach in its effort to bring the vaccine-hesitant to heel, and in doing so, exceeded its authority, yet again," said Attorney General Wayne Stenehjem.

In his Order, Judge Baker stated "As another Court that has preliminarily enjoined the same measure at issue in this case has stated, "[t]his case is not about whether vaccines are effective. They are. ... However, even in times of crisis this Court must preserve the rule of law and ensure that all branches of government act within the bounds of their constitutionally granted authorities."

Stenehjem noted that, with Judge Baker's order, federal courts have now enjoined the three most invasive federal vaccine mandates. "I will continue to work with Attorneys General across the nation to protect the citizens of North Dakota from federal overreach."

Can you work with Liz, Eric and other client agencies who were worried about this mandate that it [the contractor mandate] is now on hold. In fact, all 3 federal mandates are on hold under one form of injunction or another. Wayne

Friends,

Judge Baker just issued a nationwide injunction in our federal contractor mandate case. We're still reviewing, but wanted to make you aware. Also, I'm adding Georgia's new SG, Stephen Petraney, to this chain.

Best,  
Drew

Done. Okay to send out as corrected? Liz

Bismarck, ND - Earlier today, federal district court Judge R. Stan Baker in Georgia issued a nationwide preliminary injunction suspending the federal contractor vaccine mandate. Judge Baker ruled against the Biden Administration, finding that the vaccine mandate in Executive Order 14042 violated the Procurement Act.

"The Biden administration has yet again exceeded its authority in apparent disregard of the Constitution and the rule of law," said Attorney General Wayne Stenehjem.

In his Order, Judge Baker stated "As another Court that has preliminarily enjoined the same measure at issue in this case has stated, "[t]his case is not about whether vaccines are effective. They are. ... However, even in times of crisis this Court must preserve the rule of law and ensure that all branches of government act within the bounds of their constitutionally granted authorities."

Stenehjem noted that, with Judge Baker's order, federal courts have now enjoined the three most invasive federal vaccine mandates. "I will continue to work with Attorneys General across the nation to protect the citizens of North Dakota from federal overreach."

DRAFT

STATEMENT OF ATTORNEY GENERAL STENEHJEM IN RESPONSE TO NATIONWIDE SUSPENSION OF FEDERAL CONTRACTOR MANDATE

Earlier today, federal district court Judge R. Stan Baker in Georgia issued a nationwide preliminary injunction suspending the federal contractor vaccine mandate. Judge Baker ruled against the Biden Administration, finding that the vaccine mandate in Executive Order 14042 violated the Procurement Act.

"The Biden Administration took a heavy-handed approach in its effort to bring the vaccine-hesitant to heel, and in doing so, exceeded its authority, yet again," said Attorney General Wayne Stenehjem.

In his Order, Judge Baker stated "As another Court that has preliminarily enjoined the same measure at issue in this case has stated, "[t]his case is not about whether vaccines are effective. They are. ... However, even in times of crisis this Court must preserve the rule of law and ensure that all branches of government act within the bounds of their constitutionally granted authorities."

Stenehjem noted that, with Judge Baker's order, federal courts have now enjoined the three most invasive federal vaccine mandates. "I will continue to work with Attorneys General across the nation to protect the citizens of North Dakota from federal overreach."

Can you work with Liz, Eric and other client agencies who were worried about this mandate that it [the contractor mandate] is now on hold. In fact, all 3 federal mandates are on hold under one form of injunction or another. Wayne

Friends,

Judge Baker just issued a nationwide injunction in our federal contractor mandate case. We're still reviewing, but wanted to make you aware. Also, I'm adding Georgia's new SG, Stephen Petransy, to this chain.

Stan Baker in Georgia issued a nationwide preliminary injunction suspending the federal contractor vaccine mandate. Judge Baker ruled against the Biden Administration, finding that the vaccine mandate in Executive Order 14042 violated the Procurement Act.</p> <p>On its face, the contractor vaccine mandate would have applied to any employee of a contractor or subcontractor who was a party to a federal contract, even if the work they did was wholly unrelated to the contract, and even if it was not certain they would ever have worked in a location with an employee who was actually working on a federal contract.</p> <p>“The Biden administration has yet again exceeded its authority in apparent disregard of the Constitution and the rule of law,” said Attorney General Wayne Stenehjem.</p> <p>In his Order, Judge Baker stated “As another Court that has preliminarily enjoined the same measure at issue in this case has stated, “[t]his case is not about whether vaccines are effective. They are. ... However, even in times of crisis this Court must preserve the rule of law and ensure that all branches of government act within the bounds of their constitutionally granted authorities.”</p> <p>Stenehjem noted that, with Judge Baker’s order, federal courts have now enjoined the three most invasive federal vaccine mandates. “I will continue to work with Attorneys General across the nation to protect the citizens of North Dakota from federal overreach.”</p> <p>###<br/> <a href="#">Read the Order (Link)</a></p> |

**Organized Retail Crime Briefing**  
Monday, December 13th, 2021 at 12:00pm

*The stolen merchandise recovered by the Organized Retail Crime Task Force includes tens of thousands of pounds of law enforcement and retail as we continue to investigate this massive theft. Organized retail theft is about much more than just the stolen goods. Organized retail theft is about the harm to communities and the lives of our citizens. These crimes are connected to other crimes, such as the drug trade and human trafficking. I am committed to bringing these criminals to justice.*

Do you want to do this? KFYR had indicated they wanted to ask about the SCOTUS abortion case and its effect in ND if Roe is overturned and the Vaccine Mandate lawsuits. Liz

Hey Liz!

I am again set up in the Michigan Room at the Hilton for interviews. I will be here until around 12:45-1 pm. If the AG has a few minutes at any time, let me know. I am meeting with other AGs at 11, 11:30, and 12:30- but any time around those slots is fine.

Thanks!

Trinity is represented by David Hogue, who has opposed the claim. The Labor Dept. has awarded 3x the amount requested by the claimant plus \$24,000 in penalties; the Dept. is unwilling to seek a lesser amount. Also attached is a transcript of a VM from attorney Hogue.<br/> Matt</p> |

I just want to let you know that our division intends to move forward with a civil complaint against Trinity Hospitals on behalf of the Labor Dept. Trinity is represented by David Hogue, who has opposed the claim. The Labor Dept. has awarded 3x the amount requested by the claimant plus \$24,000 in penalties; the Dept. is unwilling to seek a lesser amount. Also attached is a transcript of a VM from attorney Hogue.

There may be an issue surfacing regarding the new Medicaid Expansion Manage Care Organization contract with BCBS. BCBS doesn't appear to be doing anything improper but some providers maybe colluding. I don't want to try to explain too much in this email but it may be something that we have to discuss as soon as you get back. If you have questions feel free to call my cell 701-649-0133. There may be an issue surfacing regarding the new Medicaid Expansion Manage Care Organization contract with BCBS. BCBS doesn't appear to be doing anything improper but some providers maybe colluding. I don't want to try to explain too much in this email but it may be something that we have to discuss as soon as you get back. If you have questions feel free to call my cell 701-649-0133. | Body | <p>I am aware of the issue with Headstart, but am not aware of any state-lead lawsuits. I'll ask around d tonight.<br/>Wayne</p> <p>Sent from my Verizon, Samsung Galaxy smartphone<br/>Get <a href="#">Outlook for Android</a><br/><b>From:</b> Brockner, Liz &lt;lbrocker@nd.gov&gt;<br/><b>Sent:</b> Wednesday, December 8, 2021 5:36:22 PM<br/><b>To:</b> Stenehjem, Wayne K. &lt;wstenehjem@nd.gov&gt;<br/><b>Cc:</b> Seibel, Troy T. &lt;tseibel@nd.gov&gt;; Olson, Eric D. &lt;edolson@nd.gov&gt;<br/><b>Subject:</b> FYI - telephone call</p> <p>I took a telephone call from Brian Van Horn, president of Mayville State. He had great things to say about Eric's legal advice and services, and about our efforts on the federal vaccine mandates, but he also wanted to convey a concern specific to Mayville State, and that's the federal vaccine + mask mandates for Head Start programs.</p> <p>Van Horn explained that it affects about 375 children, several employees have already threatened to quit if they are forced to get vaccinated (which means he'll have to reduce the number of children they serve), and although they run a child care program, it's jointly housed and served with the Head Start program, so it affects the child care program too (even though that's not subject to a federal mandate). Finally, he said that one of the conditions of receiving funds is that any child age 2+ must wear a mask at all times unless eating or drinking regardless of vaccine status. He's not sure what effect enforcing that mandate will have, but he's concerned that parents will not be happy.</p> <p>Van Horn sked that if we have an opportunity to join or lead a multistate action challenging that mandate, we do so. Eric briefly explained this issue to me yesterday as we were talking about the "big three" federal mandates, and I know he's following it, so I copied him here.</p> <p>If you want to talk to President Van Horn (which he said is not necessary – just knowing that Eric is tracking this issue was enough), he's at 270-493-0530 (cell).<br/>Liz</p> |

| Body | <p>I am aware of the issue with Headstart, but am not aware of any state-lead lawsuits. I'll ask around d tonight.<br/>Wayne</p> <p>Sent from my Verizon, Samsung Galaxy smartphone<br/>Get <a href="#">Outlook for Android</a><br/><b>From:</b> Brocker, Liz &lt;lbrocker@nd.gov&gt;<br/><b>Sent:</b> Wednesday, December 8, 2021 5:36:22 PM<br/><b>To:</b> Stenehjem, Wayne K. &lt;wstenehjem@nd.gov&gt;<br/><b>Cc:</b> Seibel, Troy T. &lt;tseibel@nd.gov&gt;; Olson, Eric D. &lt;edolson@nd.gov&gt;<br/><b>Subject:</b> FYI - telephone call</p> <p>I took a telephone call from Brian Van Horn, president of Mayville State. He had great things to say about Eric's legal advice and services, and about our efforts on the federal vaccine mandates, but he also wanted to convey a concern specific to Mayville State, and that's the federal vaccine + mask mandates for Head Start programs.</p> <p>Van Horn explained that it affects about 375 children, several employees have already threatened to quit if they are forced to get vaccinated (which means he'll have to reduce the number of children they serve), and although they run a child care program, it's jointly housed and served with the Head Start program, so it affects the child care program too (even though that's not subject to a federal mandate). Finally, he said that one of the conditions of receiving funds is that any child age 2+ must wear a mask at all times unless eating or drinking regardless of vaccine status. He's not sure what effect enforcing that mandate will have, but he's concerned that parents will not be happy.</p> <p>Van Horn sked that if we have an opportunity to join or lead a multistate action challenging that mandate, we do so. Eric briefly explained this issue to me yesterday as we were talking about the "big three" federal mandates, and I know he's following it, so I copied him here.</p> <p>If you want to talk to President Van Horn (which he said is not necessary – just knowing that Eric is tracking this issue was enough), he's at 270-493-0530 (cell).<br/>Liz</p> |

I believe that Louisiana may be considering a suit based on an email from a week or so ago. I'd be happy to discuss the issue at your convenience.</p> <p>Thanks,<br/><br/>Eric</p> <p>Sent from my iPhone<br/><b>From:</b> Stenehjem, Wayne K. &lt;wstenehjem@nd.gov&gt;<br/><b>Sent:</b> Wednesday, December 8, 2021 5:18:27 PM<br/><b>To:</b> Brocker, Liz &lt;lbrocker@nd.gov&gt;<br/><b>Cc:</b> Seibel, Troy T. &lt;tseibel@nd.gov&gt;; Olson, Eric D. &lt;edolson@nd.gov&gt;<br/><b>Subject:</b> Re: FYI - telephone call</p> <p>I am aware of the issue with Headstart, but am not aware of any state-lead lawsuits. He had great things to say about Eric's legal advice and services, and about our efforts on the federal vaccine mandates, but he also wanted to convey a concern specific to Mayville State, and that's the federal vaccine + mask mandates for Head Start programs.</p> <p>Van Horn explained that it affects about 375 children, several employees have already threatened to quit if they are forced to get vaccinated (which means he'll have to reduce the number of children they serve), and although they run a child care program, it's jointly housed and served with the Head Start program, so it affects the child care program too (even though that's not subject to a federal mandate). Finally, he said that one of the conditions of receiving funds is that any child age 2+ must wear a mask at all times unless eating or drinking regardless of vaccine status. He's not sure what effect enforcing that mandate will have, but he's concerned that parents will not be happy.</p> <p>Van Horn sked that if we have an opportunity to join or lead a multistate action challenging that mandate, we do so. Eric briefly explained this issue to me yesterday as we were talking about the "big three" federal mandates, and I know he's following it, so I copied him here.</p> <p>If you want to talk to President Van Horn (which he said is not necessary – just knowing that Eric is tracking this issue was enough), he's at 270-493-0530 (cell).<br/>Liz</p> |

I believe that Louisiana may be considering a suit based on an email from a week or so ago. I'd be happy to discuss the issue at your convenience.</p> <p>Thanks,<br/><br/>Eric</p> <p>Sent from my iPhone<br/><b>From:</b> Stenehjem, Wayne K. &lt;wstenehjem@nd.gov&gt;<br/><b>Sent:</b> Wednesday, December 8, 2021 5:18:27 PM<br/><b>To:</b> Brocker, Liz &lt;lbrocker@nd.gov&gt;<br/><b>Cc:</b> Seibel, Troy T. &lt;tseibel@nd.gov&gt;; Olson, Eric D. &lt;edolson@nd.gov&gt;<br/><b>Subject:</b> Re: FYI - telephone call</p> <p>I am aware of the issue with Headstart, but am not aware of any state-lead lawsuits. He had great things to say about Eric's legal advice and services, and about our efforts on the federal vaccine mandates, but he also wanted to convey a concern specific to Mayville State, and that's the federal vaccine + mask mandates for Head Start programs.</p> <p>Van Horn explained that it affects about 375 children, several employees have already threatened to quit if they are forced to get vaccinated (which means he'll have to reduce the number of children they serve), and although they run a child care program, it's jointly housed and served with the Head Start program, so it affects the child care program too (even though that's not subject to a federal mandate). Finally, he said that one of the conditions of receiving funds is that any child age 2+ must wear a mask at all times unless eating or drinking regardless of vaccine status. He's not sure what effect enforcing that mandate will have, but he's concerned that parents will not be happy.</p> <p>Van Horn sked that if we have an opportunity to join or lead a multistate action challenging that mandate, we do so. Eric briefly explained this issue to me yesterday as we were talking about the "big three" federal mandates, and I know he's following it, so I copied him here.</p> <p>If you want to talk to President Van Horn (which he said is not necessary – just knowing that Eric is tracking this issue was enough), he's at 270-493-0530 (cell).<br/>Liz</p> |

I believe that Louisiana may be considering a suit based on an email from a week or so ago. I'd be happy to discuss the issue at your convenience.</p> <p>Thanks,</p> <p>Eric</p> <p>Sent from my iPhone<br/>From: Stenehjem, Wayne K. &lt;wstenehjem@nd.gov&gt;<br/>Sent: Wednesday, December 8, 2021 5:18:27 PM<br/>To: Brocker, Liz &lt;lbrocker@nd.gov&gt;<br/>Cc: Seibel, Troy T. &lt;tseibel@nd.gov&gt;; Olson, Eric D. &lt;edolson@nd.gov&gt;<br/>Subject: Re: FYI - telephone call</p> <p>I am aware of the issue with Headstart, but am not aware of any state-lead lawsuits. I'll ask around d tonight.<br/>Wayne</p> <p>Sent from my Verizon, Samsung Galaxy smartphone<br/>Get <a href="#">Outlook for Android</a><br/>From: Brocker, Liz &lt;lbrocker@nd.gov&gt;<br/>Sent: Wednesday, December 8, 2021 5:36:22 PM<br/>To: Stenehjem, Wayne K. &lt;wstenehjem@nd.gov&gt;<br/>Cc: Seibel, Troy T. &lt;tseibel@nd.gov&gt;; Olson, Eric D. &lt;edolson@nd.gov&gt;<br/>Subject: FYI - telephone call</p> <p>I took a telephone call from Brian Van Horn, president of Mayville State. He had great things to say about Eric's legal advice and services, and about our efforts on the federal vaccine mandates, but he also wanted to convey a concern specific to Mayville State, and that's the federal vaccine + mask mandates for Head Start programs.</p> <p>Van Horn explained that it affects about 375 children, several employees have already threatened to quit if they are forced to get vaccinated (which means he'll have to reduce the number of children they serve), and although they run a child care program, it's jointly housed and served with the Head Start program, so it affects the child care program too (even though that's not subject to a federal mandate). Finally, he said that one of the conditions of receiving funds is that any child age 2+ must wear a mask at all times unless eating or drinking regardless of vaccine status. He's not sure what effect enforcing that mandate will have, but he's concerned that parents will not be happy.</p> <p>Van Horn sked that if we have an opportunity to join or lead a multistate action challenging that mandate, we do so. Eric briefly explained this issue to me yesterday as we were talking about the "big three" federal mandates, and I know he's following it, so I copied him here.</p> <p>If you want to talk to President Van Horn (which he said is not necessary – just knowing that Eric is tracking this issue was enough), he's at 270-493-0530 (cell).<br/>Liz</p> |

I believe that Louisiana may be considering a suit based on an email from a week or so ago. I'd be happy to discuss the issue at your convenience.</p> <p>Thanks,</p> <p>Eric</p> <p>Sent from my iPhone<br/>From: Stenehjem, Wayne K. &lt;wstenehjem@nd.gov&gt;<br/>Sent: Wednesday, December 8, 2021 5:18:27 PM<br/>To: Brocker, Liz &lt;lbrocker@nd.gov&gt;<br/>Cc: Seibel, Troy T. &lt;tseibel@nd.gov&gt;; Olson, Eric D. &lt;edolson@nd.gov&gt;<br/>Subject: Re: FYI - telephone call</p> <p>I am aware of the issue with Headstart, but am not aware of any state-lead lawsuits. He had great things to say about Eric's legal advice and services, and about our efforts on the federal vaccine mandates, but he also wanted to convey a concern specific to Mayville State, and that's the federal vaccine + mask mandates for Head Start programs.</p> <p>Van Horn explained that it affects about 375 children, several employees have already threatened to quit if they are forced to get vaccinated (which means he'll have to reduce the number of children they serve), and although they run a child care program, it's jointly housed and served with the Head Start program, so it affects the child care program too (even though that's not subject to a federal mandate). Finally, he said that one of the conditions of receiving funds is that any child age 2+ must wear a mask at all times unless eating or drinking regardless of vaccine status. He's not sure what effect enforcing that mandate will have, but he's concerned that parents will not be happy.</p> <p>Van Horn sked that if we have an opportunity to join or lead a multistate action challenging that mandate, we do so. Eric briefly explained this issue to me yesterday as we were talking about the "big three" federal mandates, and I know he's following it, so I copied him here.</p> <p>If you want to talk to President Van Horn (which he said is not necessary – just knowing that Eric is tracking this issue was enough), he's at 270-493-0530 (cell).<br/>Liz</p> |

The TFO stated the male was staying at the Rodeway Inn, went by "Alex", and was possibly from California. Through surveillance that lasted most of the day, we determined that two males, driving a California plated vehicle were our suspects. The males had left the hotel for a short time allowing a dog sniff of their room to take place(positive alert). The TF along with the DEA executed a search warrant shortly after they returned. In total, 9.3 pounds of methamphetamine were located under the mattress and their vehicle was seized. Two males, which were uncooperative, went to jail. Not a bad days work!</p> <p>I will check tomorrow to see if this is something that we can send out in a press release. They were uncooperative today, but that may change overnight or in the near future. Pic below.</p> <p>[cid:74E673C9-9B28-49C8-A15A-4FDDCDA25632]</p> <p>Sent from my iPhone</p> |

The TFO stated the male was staying at the Rodeway Inn, went by "Alex", and was possibly from California. Through surveillance that lasted most of the day, we determined that two males, driving a California plated vehicle were our suspects. The males had left the hotel for a short time allowing a dog sniff of their room to take place(positive alert). The TF along with the DEA executed a search warrant shortly after they returned. In total, 9.3 pounds of methamphetamine were located under the mattress and their vehicle was seized. Two males, which were uncooperative, went to jail. Not a bad days work!</p> <p>I will check tomorrow to see if this is something that we can send out in a press release. They were uncooperative today, but that may change overnight or in the near future. Pic below.</p> <p>[cid:74E673C9-9B28-49C8-A15A-4FDDCDA25632]</p> <p>Sent from my iPhone</p> |

Louisiana is in the process of drafting a compliant. We will have draft declarations available today. We have identified about 6 program directors willing to sign declarations (some more detailed than others).

We plan to file in the Western District of La, which at this point is where most if not all our declarations will come from. As a practical matter, I don't think we can get the Complaint and PI filed until next week so we are shooting for Tuesday of next week.

We welcome all joiners.

Louisiana is in the process of drafting a compliant. We will have draft declarations available today. We have identified about 6 program directors willing to sign declarations (some more detailed than others).

We plan to file in the Western District of La, which at this point is where most if not all our declarations will come from. As a practical matter, I don't think we can get the Complaint and PI filed until next week so we are shooting for Tuesday of next week.

We welcome all joiners.

Counsel,  
 Kentucky would be interested in knowing if anyone in this group may be considering litigation related to the recent Head Start Mandate. See Published rule, <https://public-inspection.federalregister.gov/2021-25869.pdf>  
 If so, please let me know.  
 Thank you,

**Subject:** RE: ACF/OHS/HHS - Head Start Mandate

Louisiana is in the process of drafting a complaint. We will have draft declarations available today. We have identified about 6 program directors willing to sign declarations (some more detailed than others)

We plan to file in the Western District of La, which at this point is where most if not all our declarations will come

Body

from As a practical matter, I don't think we can get the Complaint and PI filed until next week so we are shooting for Tuesday of next week.

We welcome all joiners.

**Subject:** RE: ACF/OHS/HHS - Head Start Mandate

Louisiana is in the process of drafting a complaint. We will have draft declarations available today. We have identified about 6 program directors willing to sign declarations (some more detailed than others)

We plan to file in the Western District of La, which at this point is where most if not all our declarations will come

Body

from As a practical matter, I don't think we can get the Complaint and P1 filed until next week so we are shooting for Tuesday of next week.

We welcome all joiners.

Louisiana is in the process of drafting a complaint. We will have draft declarations available today. We have identified about 6 program directors willing to sign declarations (some more detailed than others).

We plan to file in the Western District of La., which at this point is where most if not all our declarations will come from. As a practical matter, I don't think we can get the Complaint and P filed until next week so we are shooting for Tuesday of next week.

We welcome all offers.

Louisiana is in the process of drafting a complaint. We will have draft declarations available today. We have identified about 6 program directors willing to sign declarations (some more detailed than others).  
 We plan to file in the Western District of La., which at this point is where most if not all our declarations will come from. As a practical matter, I don't think we can get the Complaint and P filed until next week so we are shooting for Tuesday of next week.  
 We welcome all offers.

**Subject:** ERISA ESG Comment Letter -- Deadline 12/13 at 3 pm ET

Hello All,  
Attached is a draft comments letter in response to a revised DOL rule regarding ERISA plan sponsors' obligations relating to ESG investments. The letter argues that these investments are often misleading and administratively costly and should not be encouraged. The administration also does not provide justification for departure from the current rules that went into effect early 2021. The current rules clarify that only pecuniary factors can be considered when investing. I apologize for the short turnaround but we need joins by Monday December 13 at 6 pm ET. Also, please note that we worked with our state Treasurer on this letter. He is circulating to treasurers from other states to see if they would like to add their signatures. We welcome any feedback and if you have any questions or concerns, please do not hesitate to contact me.

Thanks,  
Melissa

The letter argues that these investments are often misleading and administratively costly and should not be encouraged. The administration also does not provide justification for departure from the current rules that went into effect early 2021. The current rules clarify that only pecuniary factors can be considered when investing. I apologize for the short turnaround but we need joins by Monday December 13 at 6 pm ET. Also, please note that we worked with our state Treasurer on this letter. He is circulating to treasurers from other states to see if they would like to add their signatures. We welcome any feedback and if you have any questions or concerns, please do not hesitate to contact me.</p> <p>Thanks,<br/>Melissa</p> <p>Melissa A. The letter argues that these investments are often misleading and administratively costly and should not be encouraged. The administration also does not provide justification for departure from the current rules that went into effect early 2021. The current rules clarify that only pecuniary factors can be considered when investing. I apologize for the short turnaround but we need joins by Monday December 13 at 6 pm ET. Also, please note that we worked with our state Treasurer on this letter. He is circulating to treasurers from other states to see if they would like to add their signatures. We welcome any feedback and if you have any questions or concerns, please do not hesitate to contact me.</p> <p>Thanks,<br/>Melissa</p> <p>Melissa A. Are the records of Board of Higher Education meetings subject to open records requirements? How about executive session minutes?  
 The BHE will not even let the new Board member listen to the recording of the June 30 meeting, when 2 Presidents were sent packing, although his term began July 1.

| Body                                            | <p>Thanks, Judy, for the email.<br/>           The Board is, of course a public entity subject to the open records and meetings laws. Mary Kelsch has addressed this issue with the board member you refer to, and I asked her about it.<br/>           Here is what she said:<br/>           "He was not a board member at the time of the executive session. The recording is exempt so it could be released to him if the board votes to release it to him. I believe he made a motion at a board meeting to listen to it and they voted NOT to release the recording to him."<br/>           I hope this helps answer your question</p> <p>Wayne</p> <hr/> <p><b>From:</b> Lee, Judy E. &lt;jlee@nd.gov&gt;<br/> <b>Sent:</b> Thursday, December 9, 2021 8:51 PM<br/> <b>To:</b> Stenehjem, Wayne K. &lt;wstenehjem@nd.gov&gt;; Seibel, Troy T. &lt;tseibel@nd.gov&gt;<br/> <b>Subject:</b> open records question</p> <p>Are the records of Board of Higher Education meetings subject to open records requirements? How about executive session minutes?<br/>           The BHE will not even let the new Board member listen to the recording of the June 30 meeting, when 2 Presidents were sent packing, although his term began July 1.</p> <p>Senator Judy Lee<br/> <br/>           Email: <a href="mailto:jlee@nd.gov">jlee@nd.gov</a></p> |

Thanks, Judy, for the email.  
 The Board is, of course a public entity subject to the open records and meetings laws. Mary Kelsch has addressed this issue with the board member you refer to, and I asked her about it.  
 Here is what she said:  
 "He was not a board member at the time of the executive session. The recording is exempt so it could be released to him if the board votes to release it to him. I believe he made a motion at a board meeting to listen to it and they voted NOT to release the recording to him."

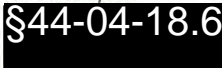

I hope this helps answer your question

Wayne

Are the records of Board of Higher Education meetings subject to open records requirements? How about executive session minutes?  
 The BHE will not even let the new Board member listen to the recording of the June 30 meeting, when 2 Presidents were sent packing, although his term began July 1.

Can you help? Here's how it works:</p> <ol style="list-style-type: none"> <li>1. Each location (Capitol 1<sup>st</sup> Floor, Capitol 17<sup>th</sup> Floor, AG South, BCI, and Medicare) will have an empty box ready for you to put your donated items in.</li> <li>2. <b>Collect as much non-perishable food</b> as you can. We'll divide the number of food we collect by the number of people in our agency and average for our total. (This makes it fair for smaller agencies to compete against larger agencies)</li> <li>3. Food collection will run from <b>Tuesday the 30<sup>th</sup> of November, until Tuesday the 14<sup>th</sup> of December</b>. On Thursday the 16<sup>th</sup>, we will <b>drop off the food donations to the Bismarck Emergency Food Pantry</b> (1012 S 12th St, Bismarck, ND 58504) between 1 p.m. and 4 p.m.</li> </ol> <p>Let's donate some food for people in need!</p> <p>Thank You,</p> <p><i>Ashley Eisenbeis</i><br/> <b>Human Resources Officer II</b><br/> <b>NORTH DAKOTA OFFICE OF ATTORNEY GENERAL</b><br/> <b>Email:</b> <a href="mailto:aeisenbeis@nd.gov">aeisenbeis@nd.gov</a><br/> <b>Phone:</b> 701-328-1256</p> |

Can you help? Here's how it works:</p> <ol style="list-style-type: none"> <li>1. Each location (Capitol 1<sup>st</sup> Floor, Capitol 17<sup>th</sup> Floor, AG South, BCI, and Medicare) will have an empty box ready for you to put your donated items in.</li> <li>2. <b>Collect as much non-perishable food</b> as you can. We'll divide the number of food we collect by the number of people in our agency and average for our total. (This makes it fair for smaller agencies to compete against larger agencies)</li> <li>3. Food collection will run from <b>Tuesday the 30<sup>th</sup> of November, until Tuesday the 14<sup>th</sup> of December.</b> On Thursday the 16<sup>th</sup>, we will <b>drop off the food donations to the Bismarck Emergency Food Pantry</b> (1012 S 12th St, Bismarck, ND 58504) between 1 p.m. and 4 p.m.</li> </ol> <p>Let's donate some food for people in need!</p> <p>Thank You,</p> <p><i>Ashley Eisenbeis</i><br/> <b>Human Resources Officer II</b><br/> <b>NORTH DAKOTA OFFICE OF ATTORNEY GENERAL</b><br/> <b>Email:</b> <a href="mailto:aeisenbeis@nd.gov">aeisenbeis@nd.gov</a><br/> <b>Phone:</b> 701-328-1256</p> |

Wayne and Jace,  
 I thought both of your offices may like to know about the retirement of Sioux County Sheriff Frank Landeis. Sheriff Landeis has ran a one man department – he has had no deputies and also serves his county in other capacities as well. He’s been Sheriff for 27 years!  
 He is retiring at the end of the year. Information on a celebration honoring his service is below.

Body

Elizabeth,

Here is a standing/parties edit for South Dakota:

The State of South Dakota is a body politic created by the Constitution and laws of the State, as such, it is not a citizen of any state. This action is brought by the State in its sovereign capacity in order to protect the interests of the State of South Dakota and its citizens as *parens patriae*, by and through Jason R. Ravensborg, the Attorney General of the State of South Dakota. The Attorney General is acting pursuant to his authority to appear for the State and prosecute any civil matter in which the State is a party or interested when, in his judgment, the welfare of the State demands. SDCL Å§1-11-1(2)

Thanks,

David

Louisiana is in the process of drafting a complaint. We will have draft declarations available today. We have identified about 6 program directors willing to sign declarations (some more detailed than others).

We plan to file in the Western District of La, which at this point is where most if not all our declarations will come from. As a practical matter, I don't think we can get the Complaint and PI filed until next week so we are shooting for Tuesday of next week.

We welcome all joiners.

Body

Elizabeth,

Here is a standing/parties edit for South Dakota:

The State of South Dakota is a body politic created by the Constitution and laws of the State, as such, it is not a citizen of any state. This action is brought by the State in its sovereign capacity in order to protect the interests of the State of South Dakota and its citizens as *parens patriae*, by and through Jason R. Ravensborg, the Attorney General of the State of South Dakota. The Attorney General is acting pursuant to his authority to appear for the State and prosecute any civil matter in which the State is a party or interested when, in his judgment, the welfare of the State demands. SDCL Å§1-11-1(2)

Thanks,

David

I will share this afternoon. Happy to take edits too. We are just compiling our notes from talking to Directors and teachers. If you have someone who has more to add or has special expertise in speech development and early childhood ed then just adapt.

Louisiana is in the process of drafting a complaint. We will have draft declarations available today. We have identified about 6 program directors willing to sign declarations (some more detailed than others).

We plan to file in the Western District of La, which at this point is where most if not all our declarations will come from. As a practical matter, I don't think we can get the Complaint and PI filed until next week so we are shooting for Tuesday of next week.

We welcome all joiners.

Elizabeth,

Here is a standing/parties edit for South Dakota:

The State of South Dakota is a body politic created by the Constitution and laws of the State; as such, it is not a citizen of any state. This action is brought by the State in its sovereign capacity in order to protect the interests of the State of South Dakota and its citizens as *parens patriae*, by and through Jason R. Ravnborg, the Attorney General of the State of South Dakota. The Attorney General is acting pursuant to his authority to appear for the State and prosecute any civil matter in which the State is a party or interested when, in his judgment, the welfare of the State demands. SDCL Å§1-11-1(2).

Thanks,

David

**Subject:** RE: ACF/OHS/HHS - Head Start Mandate

Louisiana is in the process of drafting a complaint. We will have draft declarations available today. We have identified about 6 program directors willing to sign declarations (some more detailed than others).

We plan to file in the Western District of LA, which at this point is where most if not all our declarations will come from. As a practical matter, I don't think we can get the Complaint and PI filed until next week so we are shooting for Tuesday of next week.

We welcome all joiners.

Elizabeth,

Here is a standing/parties edit for South Dakota:

The State of South Dakota is a body politic created by the Constitution and laws of the State; as such, it is not a citizen of any state. This action is brought by the State in its sovereign capacity in order to protect the interests of the State of South Dakota and its citizens as *parens patriae*, by and through Jason R. Ravnborg, the Attorney General of the State of South Dakota. The Attorney General is acting pursuant to his authority to appear for the State and prosecute any civil matter in which the State is a party or interested when, in his judgment, the welfare of the State demands. SDCL Å§1-11-1(2).

Thanks,

David

I will share this afternoon. Happy to take edits too. We are just compiling our notes from talking to Directors and teachers. If you have someone who has more to add or has special expertise in speech development and early childhood ed then just adapt.

Louisiana is in the process of drafting a complaint. We will have draft declarations available today. We have identified about 6 program directors willing to sign declarations (some more detailed than others).

We plan to file in the Western District of LA, which at this point is where most if not all our declarations will come from. As a practical matter, I don't think we can get the Complaint and PI filed until next week so we are shooting for Tuesday of next week.

We welcome all joiners.

| Body | <p>Additional info from Liz who just returned from Jamaica.<br/>Wayne<br/>Beth—can you forward this to Janelle, Grant and Kayla?</p> <hr/> <p><b>From:</b> Brocker, Liz &lt;lbrocker@nd.gov&gt;<br/><b>Sent:</b> Thursday, December 16, 2021 8:21 AM<br/><b>To:</b> Stenehjem, Wayne K. &lt;wstenehjem@nd.gov&gt;<br/><b>Subject:</b> Jamaica</p> <p>1. No more than 7 days (and no fewer than 3 day) prior to <i>arrival</i> date in Jamaica, you will need to complete the Travel Authorization. Each person in your group needs to do a separate authorization – you'll need passport, flight, and resort information. Click on this link, and answer No: <a href="https://travelauth.visitjamaica.com/">https://travelauth.visitjamaica.com/</a>. That opens the travel authorization. You will be sent a one-time password.</p> <p>1. Once the travel authorization is completed and submitted, you will get an email approving it and attaching the authorization. Download a copy to your phone AND print a hard copy. I know it says they'll accept the e-copy, but they always ask to see the hard copy.</p> <p>2. No more than 72 hours prior to <i>arrival date</i> in Jamaica, you need to get a Covid 19 test done. IGNORE the public health testing sites. I know the sites imply that they do testing for travel but that is NOT the case. The best place we have found to get the testing done is Mayo Pharmacy on 4<sup>th</sup> Street. You can book the appointment online. You do have to pay for it.</p> <p>You may not be able to complete your online check-in because the ticket agent has to personally verify that she has checked your covid-19 test and your travel authorization <u>unless</u> your flight has been authorized for Delta's Verify – in which case click on the delta link, enter your info, upload pics of your results and travel authorization, and you'll be good.</p> <p>About 3 days before your return, you'll get an email from Delta with a link to complete the CDC attestation. You'll also need to have covid-19 test results before checking in on the flight (or doing verify).</p> <p>Liz</p> |

No more than 7 days (and no fewer than 3 day) prior to <i>arrival</i> date in Jamaica, you will need to complete the Travel Authorization. Each person in your group needs to do a separate authorization – you'll need passport, flight, and resort information. Click on this link, and answer No: <a href="https://travelauth.visitjamaica.com/">https://travelauth.visitjamaica.com/</a>. That opens the travel authorization. You will be sent a one-time password.</p> <p>1. Once the travel authorization is completed and submitted, you will get an email approving it and attaching the authorization. Download a copy to your phone AND print a hard copy. I know it says they'll accept the e-copy, but they always ask to see the hard copy.</p> <p>2. No more than 72 hours prior to <i>arrival date</i> in Jamaica, you need to get a Covid 19 test done. IGNORE the public health testing sites. I know the sites imply that they do testing for travel but that is NOT the case. The best place we have found to get the testing done is Mayo Pharmacy on 4<sup>th</sup> Street. You can book the appointment online. You do have to pay for it.</p> <p>You may not be able to complete your online check-in because the ticket agent has to personally verify that she has checked your covid-19 test and your travel authorization <u>unless</u> your flight has been authorized for Delta's Verify – in which case click on the delta link, enter your info, upload pics of your results and travel authorization, and you'll be good.</p> <p>About 3 days before your return, you'll get an email from Delta with a link to complete the CDC attestation. You'll also need to have covid-19 test results before checking in on the flight (or doing verify).</p> <p>Liz</p> |

I am sorry to say that I will be missing todays years of service award's ceremony. I was looking forward to coming and seeing everyone and receiving my years of service recognition in person. However, the roads are not the best, slippery. It is a cold and windy ND day and not ideal for 7 hours of driving. I can't believe I have nearly 21.5 years of combined service to Grand Forks County and the State. Time flies.</p> <p>Thank you both for giving me the oppportunity to do the work that I do and for being wonderful to work with/for. I hope to see you soon.</p> <p>Merry Christmas.</p> <p>Nancy</p> <p><b>Nancy Yon</b><br/> <b>Assistant Attorney General</b><br/> Office of General Counsel<br/> 264 Centennial Drive Stop 8196<br/> Grand Forks, ND 58202-8196<br/> 701-777-6345<br/> <a href="mailto:ndyon@nd.gov">ndyon@nd.gov</a></p> |

I am sorry to say that I will be missing todays years of service award's ceremony. I was looking forward to coming and seeing everyone and receiving my years of service recognition in person. However, the roads are not the best, slippery. It is a cold and windy ND day and not ideal for 7 hours of driving. I can't believe I have nearly 21.5 years of combined service to Grand Forks County and the State. Time flies.</p> <p>Thank you both for giving me the oppportunity to do the work that I do and for being wonderful to work with/for. I hope to see you soon.</p> <p>Merry Christmas.</p> <p>Nancy</p> <p><b>Nancy Yon</b><br/> <b>Assistant Attorney General</b><br/> Office of General Counsel<br/> 264 Centennial Drive Stop 8196<br/> Grand Forks, ND 58202-8196<br/> 701-777-6345<br/> <a href="mailto:ndyon@nd.gov">ndyon@nd.gov</a></p> |

I'm not sure if you're looking for input from me, but I don't have suggested revisions.

To the extent folks might be interested in DPI's/the Superintendent's perspective, her authority is generally limited to elementary-secondary schools/school-aged children and does not extend to the pre-K/Head Start level (a separation reinforced further just this past session when the limited early childhood programming she did have some authority over was moved from DPI to DHS). So she is generally ..... disinclined .... to weigh in on such matters.

Friends – attached is the most updated draft of the complaint. The State-specific allegations for plaintiffs and states are still a work in progress, but we have a robust coalition. Several states have sent me some suggested revisions, including minimizing allegations that get into efficacy of vaccines. I agree with that approach. I didn't take it all out but modified some paragraphs and deleted others. I worked on amplifying State standing allegations.

Please provide me with signature blocks and any other recommendations. GA has provided a declaration, which may change a little but is provided for your reference. Also attached a draft Dec we are using with our program directors. If you have a superintendent of a public school system who is a willing declarant, it would be helpful for him/her to speak to blending of funds, need to lean on the state to backfill lost funding, educational opportunities lost and hindered for entering Kindergarten.

So she is generally ..... disinclined .... to weigh in on such matters.</p> <hr/> <p><b>From:</b> Sagsveen, Matthew A. &lt;masagsve@nd.gov&gt;<br/><b>Sent:</b> Wednesday, December 15, 2021 4:51 PM<br/><b>To:</b> Stenehjem, Wayne K. &lt;wstenehjem@nd.gov&gt;; Seibel, Troy T. &lt;tseibel@nd.gov&gt;<br/><b>Cc:</b> Pieske, Christopher S. &lt;chpieske@nd.gov&gt;; Schaibley, David J. &lt;dschaibley@nd.gov&gt;<br/><b>Subject:</b> FW: Head Start</p> <p>FYI, see message below from "other" state counsel.</p> <div style="border: 1px solid black; padding: 5px; text-align: center;"> <p>***** CAUTION: This email originated from an outside source. The State-specific allegations for plaintiffs and states are still a work in progress, but we have a robust coalition. Several states have sent me some suggested revisions, including minimizing allegations that get into efficacy of vaccines. I agree with that approach. I didn't take it all out but modified some paragraphs and deleted others. I worked on amplifying State standing allegations.</p> <p>Please provide me with signature blocks and any other recommendations. I'm not sure if you're looking for input from me, but I don't have suggested revisions.

To the extent folks might be interested in DPI's/the Superintendent's perspective, her authority is generally limited to elementary-secondary schools/school-aged children and does not extend to the pre-K/Head Start level (a separation reinforced further just this past session when the limited early childhood programming she did have some authority over was moved from DPI to DHS). So she is generally ..... disinclined ..... to weigh in on such matters.

FYI, see message below from "other" state counsel.

Friends – attached is the most updated draft of the complaint. The State-specific allegations for plaintiffs and states are still a work in progress, but we have a robust coalition. Several states have sent me some suggested revisions, including minimizing allegations that get into efficacy of vaccines. I agree with that approach. I didn't take it all out but modified some paragraphs and deleted others. I worked on amplifying State standing allegations.

Please provide me with signature blocks and any other recommendations. GA has provided a declaration, which may change a little but is provided for your reference. Also attached a draft Dec we are using with our program directors. If you have a superintendent of a public school system who is a willing declarant, it would be helpful for him/her to speak to blending of funds, need to lean on the state to backfill lost funding, educational opportunities lost and hindered for entering Kindergarten.

I should receive the revised declaration from Mayville State President Van Horn today after 5:00. I will forward it once I receive it.

I'm not sure if you're looking for input from me, but I don't have suggested revisions.

To the extent folks might be interested in DPI's/the Superintendent's perspective, her authority is generally limited to elementary-secondary schools/school-aged children and does not extend to the pre-K/Head Start level (a separation reinforced further just this past session when the limited early childhood programming she did have some authority over was moved from DPI to DHS). So she is generally ..... disinclined ..... to weigh in on such matters.

Friends – attached is the most updated draft of the complaint. The State-specific allegations for plaintiffs and states are still a work in progress, but we have a robust coalition. Several states have sent me some suggested revisions, including minimizing allegations that get into efficacy of vaccines. I agree with that approach. I didn't take it all out but modified some paragraphs and deleted others. I worked on amplifying State standing allegations.

Please provide me with signature blocks and any other recommendations. GA has provided a declaration, which may change a little but is provided for your reference. Also attached a draft Dec we are using with our program directors. If you have a superintendent of a public school system who is a willing declarant, it would be helpful for him/her to speak to blending of funds, need to lean on the state to backfill lost funding, educational opportunities lost and hindered for entering Kindergarten.

| Body | <p>To my colleagues in the Office of Attorney General:</p> <p>For the last 22 years it has been my honor to work with the dedicated people in the office of Attorney General on behalf of the citizens of North Dakota. I have had to make many difficult decisions in that time, but never one as difficult as this one.</p> <p>After visiting with Beth and others, I have decided that this term will be my last. The decision has been a hard one because I have truly enjoyed my time in this office, and that is in large part because I have been able to work with some of the most dedicated and loyal employees anyone could ask for. You are trusted colleagues, and for many of you, I regard you as dear friends.</p> <p>The citizens of North Dakota have seen fit to elect me to this important office six times and it has been an honor beyond measure.</p> <p>The end of my current term will mark 22 years as North Dakota's 29<sup>th</sup> Attorney General. For all but a couple of you, I'm the only boss in the office you've known.</p> <p>My current term runs through the end of 2022, and we still have lots of time to continue together the important work we have ahead of us.</p> <p>When you walk into the front of our office in the Capitol you see that composite photograph of all the people who have served North Dakota as Attorney General over the years. After my photo there are seven blank spots. Those spots are reserved for the people who will come after me. I know that whoever is fortunate enough to have his or her photo included after mine will inherit a talented, dedicated group of employees who come to work every day with the goal of keeping North Dakota the very best place to work and live.</p> <p>I wish you all the best of the Holiday Season, and look forward to continuing to work with you through 2022!</p> <p>Warmly,</p> <p><b><i>Wayne</i></b></p> |

| Body | <p>To my colleagues in the Office of Attorney General:</p> <p>For the last 22 years it has been my honor to work with the dedicated people in the office of Attorney General on behalf of the citizens of North Dakota. I have had to make many difficult decisions in that time, but never one as difficult as this one.</p> <p>After visiting with Beth and others, I have decided that this term will be my last. The decision has been a hard one because I have truly enjoyed my time in this office, and that is in large part because I have been able to work with some of the most dedicated and loyal employees anyone could ask for. You are trusted colleagues, and for many of you, I regard you as dear friends.</p> <p>The citizens of North Dakota have seen fit to elect me to this important office six times and it has been an honor beyond measure.</p> <p>The end of my current term will mark 22 years as North Dakota's 29<sup>th</sup> Attorney General. For all but a couple of you, I'm the only boss in the office you've known.</p> <p>My current term runs through the end of 2022, and we still have lots of time to continue together the important work we have ahead of us.</p> <p>When you walk into the front of our office in the Capitol you see that composite photograph of all the people who have served North Dakota as Attorney General over the years. After my photo there are seven blank spots. Those spots are reserved for the people who will come after me. I know that whoever is fortunate enough to have his or her photo included after mine will inherit a talented, dedicated group of employees who come to work every day with the goal of keeping North Dakota the very best place to work and live.</p> <p>I wish you all the best of the Holiday Season, and look forward to continuing to work with you through 2022!</p> <p>Warmly,</p> <p><i>Wayne</i></p> |

(DEC. 17, 2021)</b> – Gov. Doug Burgum released the following statement after North Dakota Attorney General Wayne Stenehjem announced today he will not seek re-election in 2022. Stenehjem is the longest-serving attorney general in North Dakota history, having held the position for 21 years. He was elected as the state’s 29<sup>th</sup> attorney general in 2000 and was re-elected in 2004, 2006, 2010, 2014 and 2018. Stenehjem also served in the North Dakota Legislature for 24 years, including four years in the House and 20 years in the Senate, where he was chair of the Senate Judiciary Committee from 1995-2000.</p> <p>“Wayne Stenehjem is the epitome of a dedicated public servant. We are deeply grateful for his more than four decades of exemplary service to the State of North Dakota, both as a legislator and attorney general, a position he held longer than his three predecessors combined,” Burgum said. “As the state’s top law enforcement officer for more than 20 years, Wayne’s chief concern has always been the safety and well-being of North Dakota citizens, and our state is a better place because of his devoted service. We very much look forward to partnering with him on important initiatives during his remaining time in office to keep our state moving forward.”</p> <p style="text-align: center;">— # # # —</p> <p><b>CONTACT:</b></p> <p>Mike Nowatzki<br/> <a href="mailto:mnowatzki@nd.gov">mnowatzki@nd.gov</a><br/>         701.328.2424</p> <p>Mike Kennedy<br/> <a href="mailto:mikекennedy@nd.gov">mikекennedy@nd.gov</a><br/>         701.328.2937</p> <p>600 E Boulevard Ave.<br/>         Bismarck ND 58505-0001<br/>         PHONE 701.328.2200</p> <div style="text-align: center; margin-top: 10px;">  </div> |

We are deeply grateful for his more than four decades of exemplary service to the State of North Dakota, both as a legislator and attorney general, a position he held longer than his three predecessors combined,” Burgum said. “As the state’s top law enforcement officer for more than 20 years, Wayne’s chief concern has always been the safety and well-being of North Dakota citizens, and our state is a better place because of his devoted service. We very much look forward to partnering with him on important initiatives during his remaining time in office to keep our state moving forward.”</p> <p style="text-align: center;">— # # # —</p> <p><b>CONTACT:</b></p> <p>Mike Nowatzki<br/> <a href="mailto:mnowatzki@nd.gov">mnowatzki@nd.gov</a><br/>         701.328.2424</p> <p>Mike Kennedy<br/> <a href="mailto:mikекennedy@nd.gov">mikекennedy@nd.gov</a><br/>         701.328.2937</p> <p>600 E Boulevard Ave.<br/>         Bismarck ND 58505-0001<br/>         PHONE 701.328.2200</p> <div style="text-align: center; margin-top: 10px;">  </div> |

I just sent a reminder to Attorney General Stenehjem with my recommendation to join. I know he is very busy and I'm certain he will give this matter his attention as soon as possible. I know that he appreciates that General Hill and General Ellison joined in North Dakota's earlier letter urging USDOJ to investigate the meat packing industry and he continues to be very concerned about this topic.</p> <p>Have a good weekend and same to you, Elizabeth!</p> <p><i>Parrell</i><br/>         Parrell D. Hello Mr. Stenehjem,

Happy December! In making preparations for year-end, we wanted to let you know about an exciting event happening in early January.

On January 15th at around 3:00pm, we will host the annual North Dakota Young Republicans State Convention in Bismarck.

It's been a wild year. As Young Republicans, we've observed our first year of President Biden's attempt at #BuildBackBetter, and honestly, we think we could do "better." We are excited to meet with our membership for an update on what we've accomplished during this unprecedented time and vision casting for the future. This convention will focus on hosting Republican speakers campaigning in the 2022 election, YR bylaws, updates, and recruitment.

I would like to extend an invitation for you to speak at our meeting. I want to thank you for your years of service, and ask you to address our body in your final year of office.

I would also like to humbly ask you to consider donating financially to the cause of the organization. Our convention is always a grand event and does make up a significant portion of our yearly budget. What YR's lack in finances, we make up in energy and ambition.

Thank you for your support as we endeavor to continue to provide leadership & direction for this organization. We would be delighted to see you on January 15.

- NDYR State Chair Daryle Mindeman & Executive Committee

Wayne,

Congratulations on your well-deserved retirement! Your announcement makes me happy for you, but sad for me. It has been such a privilege to serve for a man with such integrity.

Thank you for the kindness you have always shown to me and my family. You have been so good to me, it is why I have stayed for the past 33 years.

I am excited to see all the adventures of Wayne and Beth ☺

To my colleagues in the Office of Attorney General:

For the last 22 years it has been my honor to work with the dedicated people in the office of Attorney General on behalf of the citizens of North Dakota. I have had to make many difficult decisions in that time, but never one as difficult as this one.

After visiting with Beth and others, I have decided that this term will be my last. The decision has been a hard one because I have truly enjoyed my time in this office, and that is in large part because I have been able to work with some of the most dedicated and loyal employees anyone could ask for. You are trusted colleagues, and for many of you, I regard you as dear friends.

The citizens of North Dakota have seen fit to elect me to this important office six times and it has been an honor beyond measure.

The end of my current term will mark 22 years as North Dakota's 29<sup>th</sup> Attorney General. For all but a couple of you, I'm the only boss in the office you've known.

My current term runs through the end of 2022, and we still have lots of time to continue together the important work we have ahead of us.

When you walk into the front of our office in the Capitol you see that composite photograph of all the people who have served North Dakota as Attorney General over the years. After my photo there are seven blank spots. Those spots are reserved for the people who will come after me. I know that whoever is fortunate enough to have his or her photo included after mine will inherit a talented, dedicated group of employees who come to work every day with the goal of keeping North Dakota the very best place to work and live.

I wish you all the best of the Holiday Season, and look forward to continuing to work with you through 2022!

Warmly,

*Wayne*

Good morning Wayne –

Sorry this is a long email, but please read it in its entirety. The Coal Conversion Counties Association is a subset of the Western Dakota Energy Association. The CCCA represents cities, counties and school districts in the three coal-producing counties. Its members are concerned about the pending proposal of Bakken Energy and Mitsubishi to convert the Great Plains Synfuels plant to produce blue hydrogen from natural gas. Attached is a letter you previously received stating some of those concerns.

CCCA members suspect that because the project received the early endorsement of Governor Burgum, important questions have not been addressed and the project has not been thoroughly vetted. Earlier this week, the application of Bakken Energy for a grant and loan to support the project was endorsed by the Clean Sustainable Energy Authority, and will be coming before the Industrial Commission next week. After listening to the orchestrated presentation of Bakken Energy, and the ensuing discussion with the CSEA board, our coal county members still have many unanswered questions. Please consider these as you ponder a decision at next week’s Industrial Commission meeting:

1. Bakken Energy proposes to use 175 million cubic feet of natural gas per day to produce hydrogen. How will the product be transported to market? Is Bakken proposing to construct an ammonia pipeline? Where would it go and what is the timeline/likelihood for permitting? If not a pipeline, how will that volume of product be transported?
2. Basin Electric said it has been losing money at the synfuels plant due to low natural gas prices. But prices have increased significantly in recent months. Is the plant once again profitable producing syngas from coal? If the plant is profitable in the next three years of operation, how does it affect the plan to produce hydrogen?
3. Federal grant guidelines generally require local support for a project, but Bakken Energy has not met with the CCCA membership to answer their questions. Why hasn’t that meeting occurred?
4. It appears this project is heavily dependent on federal grants and loans from DOE. Will the parties, Bakken Energy and Mitsubishi (which is a \$5.2 trillion company), proceed with the project if it fails to receive federal support?
5. If the project depends on federal support that may or may not be received, is it premature for the State of North Dakota to make a financial commitment at this time? Should the decision of the Industrial Commission be postponed until there is more certainty about project funding?

Thank you for your consideration.

I enjoyed working with you on stories and always appreciated your knowledge of topics and your willingness to give me some of your time.<br/>                 Thanks too for letting Jack take those Scotcheroos. He was kind enough to share them, and honestly I'm not sure I would have done that. Please tell Beth hers are still the best I've ever had.<br/>                 Wishing you all the best,<br/>                 TS</p> <p>Travis Svihovec<br/>                 Reporter<br/>                 Bismarck Tribune<br/>                 701-250-8260</p> |

I enjoyed working with you on stories and always appreciated your knowledge of topics and your willingness to give me some of your time.<br/>                 Thanks too for letting Jack take those Scotcheroos. He was kind enough to share them, and honestly I'm not sure I would have done that. Please tell Beth hers are still the best I've ever had.<br/>                 Wishing you all the best,<br/>                 TS</p> <p>Travis Svihovec<br/>                 Reporter<br/>                 Bismarck Tribune<br/>                 701-250-8260</p> |
