## ADDITIONAL CONTEST NOTES

Listeners can become qualified by listening to KFGO radio Monday through Saturday from 5am to 6pm for their chance to hear the "Great Outdoors" sounder and call in. Be the first caller to qualify. There will be only one qualifier per day and each listener may only qualify once during the promotion period. \*\*Please note: Due to the nature of radio-- Times mentioned are approximate unless stated otherwise.

All qualifiers will be invited to the M & J Brand Saloon, 817 Main Ave W, West Fargo, ND 58078, on Thursday, November 14th. The event starts at 5pm, but all those who qualified on air for a chance to be included in the Grand Prize Giveaway should be there no later than 6:30 pm (sharp!) to fill out their drawing paperwork.

From the eligible qualifiers, names will be drawn one at a time to participate in the "Choose Your Line" grand prize giveaway, happening at approximately 7pm. There will be one line per person, only 6 lines possible. Each fishing line will be attached to a different prize, hidden behind a screen. Drawings will continue until someone chooses the line attached to the grand prize.

Last Chance Qualifiers - For those who have not qualified earlier, we will draw 10 additional last chance qualifiers from 5 to 6:45pm at the M & J Saloon on Thursday, November 14th and add them to the grand prize drawing. Listeners must be present to register and be chosen as a last chance qualifier.

Midwest communications and KFGO are not responsible for poor reception or dropped calls  
\*\*\*\*Please play safely - Contestants driving must pull over to a safe location before dialing.

***Note:** Due to the nature of our programs that are heard on-line, contests heard on the radio station's Internet audio stream are slightly delayed from the time the contests heard on the broadcast station and may be running behind the broadcast signal. Thus, all contests heard are delayed. This delay can last for 30 seconds up to several minutes. This means that when the station announces winning names in this contest, listeners to the on-line audio stream may be at a disadvantage in participating over those listeners who hear the contest on conventional radio. For this contest, the station will start counting down when the announcement is made on the radio broadcast signal.*
