Playback of the winning callers may be played to sound "live" outside of the 9-minute window.

By calling in, you are giving us permission to broadcast your voice. The decision of Midwest Communications, Inc. is final

*Note: Due to the nature of our programs that are heard online over the internet, contests heard over the stations internet stream, are slightly delayed from the time the contests heard on the broadcast or the "Y94 app" and will be running behind the broadcast signal. Thus, all the contests heard are delayed. This delay can last for 30 seconds up to several minutes. This means when Y94 announces a winning name in this contest, listeners listening to the online stream may be at a disadvantage in participating over those listening to the broadcast on a tradition FM radio. For this contest, Y94 will begin counting the 9 minutes when the name is called over the traditional on air broadcast.
