Additional Rules

In addition to these Official Rules, this Promotion is also subject to the Midwest Communications, Inc./WRIG, Inc. Official Rules for All Contests which are either incorporated herein by reference as Addendum C on the station website.

ADDENDUM A - METHOD OF SELECTION OF WINNER

Listen to KOYY Y94 93.7FM Monday-Friday between approx 7:10am thru APPROX 5:10pm. There will be no play on Memorial Day.

At approximately ten minutes after the hour, a Y94 personality will give the "Cash Code" for that hour. Enter that code at Y94.com Incorrect spellings of "Cash Codes" will not be accepted.

#1: Approximately 3-5 times a day, a Y94 personality will call a person who has texted or entered on line a correct "Cash Code" that day.

#2: The initial call made by the Y94 personality must be answered, if there is no answer, a new winner is chosen. The initial call must be answered by the registered entrant to be eligible. Before the caller can be considered a "winner" additional information may be required to confirm the person answering the phone is the correct person. If any fraud is found any people involved will be terminated from play. Decision of Midwest Communications, Inc will be final without any further prize consideration.

By registering, you are giving us permission to broadcast your voice. The decision of Midwest Communications, Inc. is final

KOYY is not responsible for any technical errors that may happen during the contest, including (but not limited to): lost cell-phone coverage or disconnection of call by any means. Due to the nature of our programs that are heard on-line over the Internet, contests heard on the radio station's Internet audio stream are slightly delayed from the time the contests heard on the broadcast station, and will be running behind the broadcast signal. Thus, all contests heard are delayed. This delay can last for 30 seconds up to several minutes. This means that listeners to the on-line audio stream may be at a disadvantage in participating over those listeners who hear the contest on a conventional FM radio.
