**** Please play safely. If you are driving during play, you must pull over to a safe location before dialing/texting. ****

Note: Due to the nature of our programs that are heard on-line, contests heard on the radio station's Internet audio stream are slightly delayed from the time the contests heard on the broadcast station and may be running behind the broadcast signal. Thus, all contests heard are delayed. This delay can last for 30 seconds up to several minutes. This means that when the station announces winning names in this contest, listeners to the on-line audio stream may be at a disadvantage in participating over those listeners who hear the contest on conventional radio. For this contest, the station will start counting down when the announcement is made on the radio broadcast signal.
