ADDITIONAL CONTEST NOTES

HOW TO ENTER:

Listeners can register to participate at 941theduke.com. Contestants will be randomly selected from all entries and contacted weekdays during the contest at approximately 7:20 AM, 9:20 AM, 3:20 PM, and 4:20 PM. Each selected contestant will play a game of blackjack against Chris Tyler. If they beat Chris, they'll win a jumbo deck of DUKE playing cards (approximate value: \$10) and will then be entered for a chance to win the grand prize, DUKE'S DECK. If the contestant loses the game, they will not receive a prize or be entered into the grand prize drawing. The Grand prize winner will be chosen in a random drawing from all blackjack winners at the conclusion of the contest.

PLEASE NOTE:

If the winner chooses to design/build a larger and/or more expensive Trex Deck, the deck and installation prize will be put towards that purchase at MPC Cashway Lumber. The prize is non-transferable and may not be substituted, exchanged, or redeemed for cash or credit. No cash alternative is available. Deck Prize must be redeemed in 2025. The deck prize does not include demolition of an existing deck or structure. If stairs are not required, the winner may apply the equivalent value toward a color upgrade or railing selection. The prize includes a standard set of stairs. If a larger staircase that includes a landing is required, any additional cost beyond the value of a standard set is not covered by the prize.

***Note:** Due to the nature of our programs that are heard on-line, contests heard on the radio station's Internet audio stream are slightly delayed from the time the contests heard on the broadcast station and may be running behind the broadcast signal. Thus, all contests heard are delayed. This delay can last for 30 seconds up to several minutes. This means that when the station announces winning names in this contest, listeners to the on-line audio stream may be at a disadvantage in participating over those listeners who hear the contest on conventional radio. For this contest, the station will start counting down when the announcement is made on the radio broadcast signal.*
