## ADDITIONAL CONTEST NOTES

Weekday mornings (except holidays and assorted undetermined days) at approx. 7:30 AM a random contestant will be selected from all eligible entries and contacted to play the One Second Song contest.

A one-second "snippet" of a song will be played. The contestant will be given one try to identify the correct title and artist of the song. If the title and artist is correctly identified the contestant will be awarded \$1,000.00 in the form of a check.

The first guess is the final guess.

If the registered contestant called does not answer the call, that call is void and another registered contestant may be called.

The registered caller is the only person who can play the contest. If someone other than the registered contestant would answer to play that call is void.

Additional plays may be held on-air or on-site at WNCY events throughout the year. Contestants that don't answer or give the correct answer may still win a "participation prize" from WNCY and/or a WNCY sponsor/advertiser. However, a "participation prize" is not guaranteed. WNCY is not responsible for any technical errors that may happen during the contest, including (but not limited to): lost cell-phone coverage or disconnection of call by any means.

Deadline for claiming prizes: NOON 5 days from winning

Failure of winner to complete the proper paperwork will void prize without any further prize consideration.

Any checks that are not cashed within 90 days of date of check issued will be void and not be re-issued.

**\*\* Please play safely. If you are driving during play, you must pull over to a safe location before calling/texting. \*\***

**Note:** Due to the nature of our programs that are heard on-line, contests heard on the radio station's Internet audio stream are slightly delayed from the time the contests heard on the broadcast station and may be running behind the broadcast signal. Thus, all contests heard are delayed. This delay can last for 30 seconds up to several minutes. This means that when the station announces winning names in this contest, listeners to the on-line audio stream may be at a disadvantage in participating over those listeners who hear the contest on conventional radio. For this contest, the station will start counting down when the announcement is made on the radio broadcast signal.
