 - #3. Contestant for the contest will be called at approx. 5 minutes using the information that they supplied at time of entry. If call goes unanswered, WIXX will try one additional time.
 - #4. If call goes unanswered a second time, contestant forfeits their opportunity to play at that time. (However this will not disqualify them from potentially playing in the future depending on if their name is randomly drawn again.)

** Please note that if the caller is driving a vehicle it must be pulled over and in a safe area. **
 - #5. In the event that WIXX cannot get the pre-selected contestant on the phone prior to the contest, a randomly selected caller will then be taken at 920-406-1011 to participate as that day's contestant. NOTE: THE RANDOM CALLER MUST NOT HAVE WON THE \$1000.00 MINUTE WITHIN ONE YEAR (365 DAYS)
 - #6. If contestant is not available on the day they have been picked to play, they must notify the WIXX business office at (920) 435-3771 at least ONE business day before they are schedule to play. Failure to do so will result in further contesting consideration however there name will go back into the drawing.
 - #7. In the event that the contestant cannot participate and notifies the station at-minimum ONE business day prior to playing, they will be scheduled for a future day and notified a minimum of ONE business day prior to playing.
 - #8. Contestants can play the contest no more than once during a 30-day period.
 - #9. Actual person who was called must be the person playing the game, no proxies are allowed
- NOTE: Additional plays may be held on-air or on-site at WIXX events throughout the year.

 - #5. All answers deemed "incorrect" are final and non-disputable.
 - #6: Due to holiday schedule contest may not be played during a weekday of holiday lands on weekday.
 - #7: Contest is played Monday thru Friday however exceptions may be made due to unforeseen circumstances.
- Note: due to the nature of our programs that are heard on-line over the Internet, contests heard on the radio station's Internet audio stream are slightly delayed from the time the contests heard on the broadcast station and may be running behind the broadcast signal. Thus, all contests heard are delayed. This delay can last for 30 seconds up to several minutes. This means that when the station announces winning names in this contest, listeners to the on-line audio stream may be at a disadvantage in participating over those listeners who hear the contest on conventional radio. For this contest, the station will start counting down when the announcement is made on the radio broadcast signal.
