ADDENDUM A - HOW TO ENTER

- #1: Weekdays at approximately 8:40am, approx. 9:40am, approx. 11:40am, approx. 1:40pm and approx. 4:40pm a sounder will be played
#2: That sounder is the cue to call 920-406-1011. The 11th caller, over the age of 18, gets to play.

ADDENDUM B

METHOD OF SELECTION OF WINNER

#1: After being the 11th caller when you hear the cue to call, you'll get one guess at that jackpot (your first guess is your final guess.) Your goal is to guess the exact amount. Guessing the exact amount awards you that jackpot amount after verification process.

#2: You can only guess once per day and you can only win one jackpot for the duration of the contest.

Each contestant to make a guess may automatically win a qualifier prize

Each Jackpot winner could also win additional prizes provided by WIXX and/or contest sponsors.

**in the case that the final jackpot is not guessed by 5/3/2024 this contest will play out until the final jackpot is guessed using the same procedure.

Note: due to the nature of our programs that are heard on-line over the Internet, contests heard on the radio station's Internet audio stream are slightly delayed from the time the contests heard on the broadcast station and may be running behind the broadcast signal. Thus, all contests heard are delayed. This delay can last for 30 seconds up to several minutes. This means that when the station announces winning names in this contest, listeners to the on-line audio stream may be at a disadvantage in participating over those listeners who hear the contest on conventional radio. For this contest, the station will start counting down when the announcement is made on the radio broadcast signal.
