ADDITIONAL CONTEST NOTES

Enter to Win the Jackpot!

From June 2nd to June 20th, 2025, visit duke.fm and fill out the online entry form for your chance to play. Each weekday at approximately 10AM, Noon, and 2PM, we'll randomly select a "player" from the entries received. We'll call the player and the player will get a chance to guess the exact amount in our current jackpot. If they guess it correctly, they win the entire jackpot! If you don't answer when we call, you'll miss that round, but your name will still be eligible for future drawings. Players can only enter once.

Note: While consolation prizes aren't guaranteed, we may offer them during select play times—while supplies last.

**** Please play safely. If you are driving during play, you must pull over to a safe location before answering. ****

Note: Due to the nature of our programs that are heard on-line, contests heard on the radio station's Internet audio stream are slightly delayed from the time the contests heard on the broadcast station and may be running behind the broadcast signal. Thus, all contests heard are delayed. This delay can last for 30 seconds up to several minutes. This means that when the station announces winning names in this contest, listeners to the on-line audio stream may be at a disadvantage in participating over those listeners who hear the contest on conventional radio. For this contest, the station will start counting down when the announcement is made on the radio broadcast signal.
