 - #3. Contestants for that morning will be called at approx. 7:10am using the contact information that they supplied at time of entry.
 - #4. If the call goes unanswered for a second attempt, the contestant forfeits their opportunity to play that day, but will have their name put back into the running for a chance to be randomly selected to play again in the future.
 - #5. In the event that Mix 92.9 cannot get the pre-selected contestant on the phone prior to the start of that day's contest, they will select another entry from all eligible entries.
 - #6. If contestant is not available on the day they have been selected and scheduled to play, they must notify Mix 92.9 business office at (615) 259-4567 during business hours at least ONE business day before they are scheduled to play. Failure to do so will result in their name going back into the random drawing for a potential future opportunity.

Note: due to the nature of our programs that are heard on-line over the Internet, contests heard on the radio station's Internet audio stream are slightly delayed from the time the contests heard on the broadcast station and may be running behind the broadcast signal. Thus, all contests heard are delayed. This delay can last for 30 seconds up to several minutes. This means that when the station announces winning names in this contest, listeners to the on-line audio stream may be at a disadvantage in participating over those listeners who hear the contest on conventional radio. For this contest, the station will start counting down when the announcement is made on the radio broadcast signal.
