

Preschool Round Up 2025

Free Developmental Screenings for Two to Five Year Olds

Each year, the following local school districts along with the Project HELP Preschool Program offer families the opportunity to discover how their children are growing in the areas of speech, language, concepts and motor skills through FREE, developmental screenings. Vision and hearing screenings are also provided, free of charge.

Districts will begin scheduling appointments a couple weeks prior to their Round Up dates. For more information or to schedule an appointment, please call 844-999-9007 or the phone number listed below for your district.
