

Hello!

This year, I am helping my school to raise funds and food for the WSOY Community Food Drive on October 4th. Will you join me?

I have learned that one in four families in my community is struggling with food insecurity. They could be my classmates, my teachers, or even my friends. By raising food and funds, I am helping to make an impact, making sure that no child or family in my community goes hungry.

All of the food raised will be donated to the Salvation Army, Catholic Charities, Northeast Community Fund, and Good Samaritan Inn. All funds and food collected will be distributed to food pantries across Macon County.

Every dollar and pound of food helps!

In addition, thanks to sponsors of the WSOY Community Food Drive, the schools that raise the most in food and funds have a chance to win cash prizes! First place will receive \$2500. Second place will receive \$1500, third \$1000, fourth \$750, and fifth \$500!

If you would like to learn more about the WSOY Community Food Drive, go to NowDecatur.com.

Thank you again for your consideration in helping me raise food and funds for hungry families in my community!

Thank you!
