As required by 35 ILCS 200/9-210 and 35 ILCS 200/10-115, the following equalization factors have been applied to bring the assessments to the statutorily required three-year median-level of 33.33%:

Patoka Township, Foster Township, Kinmundy Township, Meacham Township, Carrigan Township, Tonti Township, Alma Township, Omega Township, Sandoval Township, Odin Township, Salem Township, Stevenson Township, Iuka Township, Centralia Township, Raccoon Township, Haines Township, Romaine Township

Questions about these valuations should be directed to:
Mark D. Miller, Marion County Supervisor of Assessments
100 E. Main St, Rm 101
Salem, IL 62881

Office Hours are: 8:00 AM-4:00 PM Monday through Friday

Property in this County, other than farmland and coal, is to be assessed at a 33.33% median level of assessment, based on the fair cash value of the property. You may check the accuracy of your assessment by dividing your assessment by the median level of assessment. The resulting value should equal the estimated fair cash value of your property. If the resulting value is greater than the estimated fair cash value of your property, you may be over-assessed. If the resulting value is less than the fair cash value of your property, you may be under-assessed. You may appeal your assessment to the Board of Review.

If you believe your property's fair cash value is incorrect or that the equalized assessed valuation is not uniform with other comparable properties in the same neighborhood, the following steps should be taken:

- Contact your Supervisor of Assessments office to review the assessment.
- If not satisfied with the assessor review, taxpayers may file a complaint with the Marion County Board of Review. For complaint forms, instructions and the Rules and Procedures of the Board of Review, call (618) 548-3853 or visit the office of the Marion County Supervisor of Assessments for more information.
- The final filing deadline for your township is generally 30 days from this publication date. After this date, the Board of Review is prohibited by law from accepting assessment complaints for properties in this township. For more information on complaint deadlines, call (618) 548-3853 or visit the office of the Marion County Supervisor of Assessments.

Your property may be eligible for homestead exemptions, which can reduce your property's taxable assessment. For more information on homestead exemptions, call (618) 548-3853 or visit the office of the Marion County Supervisor of Assessments.

Your property tax bill will be calculated as follows:
Final Equalized Assessed Value - Exemptions= Taxable Assessment
Taxable Assessment X Current Tax Rate = Total Tax Bill

All equalized assessed valuations are subject to further equalization and revision by the Marion County Board of Review as well as equalization by the Illinois Department of Revenue.

A complete list of assessments for this County for the current assessment year, except for those assessments that were changed solely by equalization as noted above, is as follows:
