On the third hole, the team of Gregg (hiding behind the camera), John and Russ were each in decent proximity to the hole. All three of them made the putt!

Another beauty day at Beauty Bay! 66 members enjoyed this picture perfect day. The teams must've been fairly equally matched as three of the teams tied at -3 in the scramble. Only one prevailed however, after the dreaded count back. That count back has knocked more people out than in.

The following joke was submitted by Dennis O'Sullivan (thanks Dennis!):

A husband and wife are on the 9th green when suddenly she collapses from a heart attack!

"Help me dear," she groans to her husband.

The husband calls 911 on his cell phone, talks for a few minutes, picks up his putter, and lines up his putt.

His wife raises her head off the green and stares at him.

"I'm dying here and you're putting?"

"Don't worry dear," says the husband calmly, "they found a doctor on the second hole and he's coming to help you."

"Well, how long will it take for him to get here?" she asks feebly.

Beauty Bay addressing pace of play issues!

"No time at all," says her husband.  
"Everybody's already agreed to let him play through."

Back nine scramble winners were Brent Taylor, Al Kobylka, Wolf Sandloehken, and Brad Edie with a -3 score of 32. They won on a count back against two other teams. Congratulations!
