1	Management-level training regarding methods of ensuring equal employment opportunity and prevention of discrimination and harassment	During the months of April and May of 2025, our SEU participated in harassment prevention training. All hiring managers—Market Manager, Operations Manager, and Hiring Managers—as well as the entire staff were required to complete a series of sessions prepared by the Health & Safety Institute (HSI) entitled, <i>Understanding Harassment and Anti-Harassment – Managers</i> (6 sessions for staff and 9 for managers). The sessions explained what harassment is, provided tips to help understand offenders and targets, offered bystander training, described warning signs, and instructed viewers about how to create a healthy workplace culture. There was additional training for managers about supervisory responsibilities and how to conduct investigations regarding claims of harassment. In order to obtain a certificate of participation, all employees were required to take a quiz following their completion of each session.
2	Management-level training regarding methods of ensuring equal employment opportunity and prevention of discrimination	During the months of April and May of 2025, this SEU participated in additional training. All hiring managers as well as the entire staff were required to complete the Health & Safety Institute (HSI) on-line course, <i>Celebrating Diversity How It Fosters Belonging, Seeing All Sides</i> , and <i>Uncovering All That We Share</i> , presented in three segments. These segments defined how companies and colleagues can make everyone feel part of a group, how practicing empathy helps us see life from someone else’s point of view, and the benefits of seeking common ground for the sake of unity.
3	Management-level training concerning methods of ensuring equal employment opportunity and preventing discrimination	On August 20, 2025, our SEU’s VP/Market Manager as well as our HR Business Partner participated in a presentation conducted by Cumulus Media Inc.’s Executive Vice President and General Counsel as well as its Vice President, Human Resources entitled, “The FCC’s Equal Employment Opportunity Rules: Your Guide to Compliance for Cumulus Market Managers & HR Business Partners.” The FCC’s EEO recruitment, recordkeeping, and reporting requirements were reexamined and reinforced, after which questions were entertained.
