This session was designed as a Leadership Lab—a 60-minute session—to discuss the meaning of " Perpetuating Allyship " and introduced tools, techniques, and methods associated with this topic. Specifically, this session focused on: how one becomes an ally; the importance of not practicing performative allyship; the active, consistent, and arduous practice of how persons in a position of privilege and power can unlearn and re-evaluate how to support marginalized individuals; how to understand the needs of others without assuming what they want; how to be more intentional as an ally; and several key do's and don'ts about allyship.
