

JOIN US FOR THE BATTEY BUSINESS COMPLEX CLEANUP AND DEMOLITION PROJECT UPDATE

IN-PERSON OR VIRTUAL (MICROSOFT TEAMS)

The Rome Floyd County Development Authority (RFCDA) received an EPA Brownfields Cleanup Grant in 2024 to address asbestos-containing materials, lead-contaminated soil and other hazardous materials at the Battey Business Complex. A HUD grant was also obtained to fund building demolition. The planned cleanup and building demolition will begin on or about October 27, 2026. This meeting will provide review the goals and logistics associated with the project, and will include brief presentations by the design engineer and the selected contractor.
