

Fine Print

The value of services is up to \$5000, the insulation product type will only be blown-in fibreglass insulation provided to meet the R50 building code, no sprayfoam or batt products and no removal of the current insulation as the retrofit entails a top up to current insulation, and whatever else we can provide to the customer within the valued limit (air sealing and duravent added to soffits as needed for ventilation).

- Blackout dates: weekends/holidays
- Property must be located between Sooke and Nanaimo to be eligible for the home retrofit, no travel charge
- When the prize needs to be claimed/used by - used by July 1st 2026
- If more is required is there an option for the winner to pay an additional cost - yes if services are beyond the maximum \$5000
- home must be free from pests/rodents prior to our services
- Attic must not contain vermiculite or asbestos
- by accepting this giveaway the customer agrees to our company terms and conditions found on our website hdsprayinsulation.com
- complimentary services are not eligible for any rebates
- attic must be accessible via an existing hatch. We do not offer drill and fill services to ceilings nor do we arrange for the roof to open to allow access for insulation
- Customer must allow for a complimentary on site viewing to assess the attic's needs prior to booking the complimentary services
- Home must be accessible via 5-ton truck
